Orienge Presents Enhanced Conterra FIM and New Contract Management Solution at IOFM’s Expo 2014, Booth #423

New York, New York, October 1, 2014 – Orienge, LLC (“Orienge”) announces its participation in the upcoming IOFM’s Accounts Payable Conference & Expo presenting enhanced [Conterra FIM](#), an enterprise-level solution for efficient accounts payable automation and expense report management.

[The Accounts Payable Conference & Expo](#) is the America’s largest and most comprehensive event for AP professionals. The conference is strictly focused on accounts payable education and practical approaches to automation, leadership and process improvements. It promises workshops and presentations highly pertinent to AP professionals’ needs.

The expo will be held in Las Vegas, NV, October 26-28, 2014 where Orienge will demonstrate the enhanced version of [Conterra FIM](#) and present its newest [Contract Management](#) solution. You are welcome to visit booth number 423 to learn more.

The audience will be able to explore Conterra FIM upgraded functionality that came with the latest release of Conterra ECM platform. [Conterra 3.0](#) looks to satisfy user requests by increasing efficiency through making the system even more friendly and advanced. It provides improved graphic design as well as revised structure and combinations of actions. Attendees will also get a chance to be the first to see and test Orienge’s new business solution for efficient contract management before it appears on the market.

“I am glad to be back to Vegas this year to take part in IOFM’s AP Conference and Expo,” said Daniel P. Shields, President and CEO of Orienge. “Since our [last expo](#) Conterra FIM has gained crucial improvements to its functionality and I can’t wait to demonstrate all these updates. Take the time to visit our booth number 423 and learn how we can help you! You are also welcome to visit our website and get a free in-person [demo](#)”
